

PRECAUTIONARY

UTILITY ISSUED

VOLUNTARY WATER CONSERVATION NOTICE

On **November 1, 2024**, a possible water problem can occur **City of Cameron Water**
(date) (location)

The areas that are affected are as follows:

✓ Entire Water System or Other _____

DUE TO DROUGHT CONDITIONS, WE ARE ASKING ALL RESIDENTS AND BUSINESSES TO BE MINDFUL AND PRESERVE WATER.

What Should I do?

- Turn the faucet off while brushing your teeth, rinse with a glass of water.
- When shaving, use a sink filled with rinse water.
- Take short showers instead of baths.
- Fill the sink with water to pre-rinse dishes before putting them in the dishwasher.
- No washing your residence or vehicle

For more information on long-term water conservation measures such as installing water-saving plumbing fixtures and appliances and identifying and repairing leaks within your home, visit DEP’s website at www.depweb.wv.gov, search **“Water Conservation Tips”**

What happened? What is being done?

DUE TO DROUGHT CONDITIONS

(Estimated time frame)

We will inform you when you no longer need to conserve water. We anticipate resolving the problem within **UNTIL FURTHER NOTICE.**

(Estimated time frame)

For more information, please contact **City Hall** at **(304)-686-2366** or **44 Main Street Cameron, WV 26033.**

Please share this information with all the other people who drink the water, especially those who may not have received this notice directly.

This notice is being sent to you by **City of Cameron Water**
